## PDM HEALTHCARE JOINS HANDS WITH HOSPI-CARE RX TO OFFER HOSPICE PHARMACY PROVIDER SERVICES TO HOSPICES

Dear PDM Member,

It is with pride we introduce you another new innovative service from PDM Healthcare that improves pharmacy experience for hospice agencies and its patients. This service allows a hospice patient to use any pharmacy they choose as Hospicare Rx has contracts with pharmacies nationwide. Below is some information on Hospicare Rx.

HospicareRx was founded in 2006 to improve the pharmacy experience for hospice agencies and their patients. We have contracts with 69,000 pharmacies nationwide so your patients can continue to use almost any pharmacy they choose. HospicareRx generally saves its Hospice Agencies 15-20% over their current arrangements, money that can go to providing better care. We can also help you stay abreast of the changes in the industry. We send our customers monthly newsletters relevant to hospice care.

Our customer service levels are unsurpassed and we can give you several references that would back that up. You can go to our website at <http://www.hospicarerx.net/> to see what hospice agencies have to say about us. Our staff is available 24/7/365, so you never have to worry about getting a new admit after hours or on the weekends. We work very closely with our customers and pharmacies to ensure your patients get the hospice approved medicines they need quickly and efficiently. Another advantage of working with HospicareRx is that your agency will receive one easy to read invoice for all your patients' hospice medications, making your record keeping easy and fast.

Our consultant pharmacists are available 24/7 to answer questions about patient medications, interactions, and duplicate/unnecessary therapy. Our consultant pharmacists review patient medication profiles in a timely manner upon admittance and review at least every two weeks to give your staff the latest monitoring parameters based off the patients' current med profile. Our consultant pharmacists are very knowledgeable in the hospice arena and never more than a phone call away.

We have attached a contract for you to review. It is simple and easy, just like working with us. There is a 30 day out clause for any reason, so we will work hard to give you the best and most cost effective service available. We are flexible with all our customers and will work with you to meet your agency's needs.

Jim Pierce will be contacting you later in the next few days. In the mean time, if you have any questions, please feel free to contact me or your PDM Healthcare Contract Compliance Associate at 440-871-1721.

Cordially,

*A. Chawla*

Ash Chawla, MS, RPh
